**Subject:** CA DOGGR UIC Grant Application - Rev.

George and Maria,

It was pointed out that the covering letter, the Forms 424A and the budget justification pages indicated the incorrect federal Fiscal Year. I have revised the application above to correct this. All the other information is the same, except for updated language in our Work Plan to reflect the aquifer exemption work .

Please call me if you have any questions.

Thanks and regards,

*Jerry Salera*
